CITY COUNCIL.

The city council held a regular
meeting last night. Mayor Adams
presiding and all officers present
except Alderman Tabor.

Minutes of last meeting were
read and approved, officers' re-
ports approved and ordered filed,
and bills approved and ordered
paid.

W. W. Harris and C. H. Wyse
were appointed a committee to act
upon a request from Ira Gooch
for permission to lay a waterpipe
from his residence to his livery
stable.

John M. Lawrence and W. S.
Howell were appointed to secure
land for dumping city garbage.

L. T. Fuller asked for the retire-
ment of \$2000 worth of water-
works bonds, the money for the
purpose having accumulated in
the sinking fund. The matter was
deferred until an adjourned meet-
ing of the council which will be
held next Thursday night, No-
vember 17.

The city and fire department
matter was also deferred.

Permission for sewerage in the
new depot was granted, and is
believed the depot will now be
built at once, as this was the only
remaining hitch in the plans.

While the sewerage question
was up for discussion Mr. Fuller
said that he would present a peti-
tion to the next meeting of the
council asking for a franchise to
put in a sewerage system in Bryan.

There being no further business,
the council adjourned.

"The Strange Adventures of
Miss Brown," presented at the
opera house last night, is an un-
usually bright and laughable bit
of clean comedy in three acts, and
it is in the hands of clever people
all round, Mr. Tucker and Miss
Lucia Moore being the central fig-
ures and highly pleasing in their
difficult parts. The attendance
was small, and there were no
specialties, though the character
of the play calls for them and the
ability of the company suggests
that they can be put on when the
attendance is larger.

THE RACE RIOT AT WILMINGTON.

Eight Negroes Killed and Three
Whites Wounded, One Be-
ing Seriously Hurt.

THE TROUBLE QUITTED A LITTLE.

All the Old Municipal Officers Have
Resigned and New Ones Have
Been Elected.

NEGRO NEWSPAPER TOTALLY DEMOLISHED.

The Editor Published an Item That
Reflected Upon White Women, and
Citizens Took the Matter
In Hand.

Wilmington, Nov. 11.—After a day
of bloodshed the turbulence in Wilming-
ton has subsided into comparative peace-
fulness. Eight negroes were killed and
three white men wounded during the
day, one of the whites, William Mayo,
seriously.

The city is in the hands of a new mu-
nicipal government, and law and order
is being established. Yesterday after-
noon the board of aldermen resigned
one by one. As each alderman vacated
the remainder elected a successor, named
by the citizens' committee, until the
entire board was changed legally. They
resigned in response to public sentiment.
The new board is composed of conserva-
tive Democratic citizens. The mayor
and chief of police then resigned and
the new board elected their successors
according to law. Ex-Representative
Waddell was elected mayor and E. G.
Parnoles chief of police.

The first act of the new government
was to swear in 250 special police-
men, chosen from the ranks of rep-
utable white citizens. They were vested
with all of the authority of the land and
took charge of the city. The citizens' com-
mittee remained on guard, however,
throughout the town to prevent possible
attempts at incendiarism. The new gov-
ernment will devote its attention to re-
straining recklessness among the whites
as well as keeping down lawlessness
among the negroes. Further trouble of
a general or serious nature is not ex-
pected.

The trouble yesterday in Wilmington
was caused by the editor of The Record,
a negro newspaper, who wrote and
published an article defamatory of white
women, and a mass meeting of citizens
ordered his expulsion from the city
within 24 hours and the removal of his
press, which was not obeyed.

The killings occurred during the after-
noon in various skirmishes between the
whites and the blacks, except that two
negroes were taken from officers and
lynched.

Three companies of state militia are
on their way to this place.

SUPPOSED TRAIN ROBBERS CAUGHT.

Six Men Are Arrested at Morehead
and the Evidence Secured Against
Them Is Very Damaging.

Morehead, Minn., Nov. 11.—The six
men engaged in the holdup of the Great
Northern coast train near Fergus Falls,
were captured here by Chief of Police
Murphy. Four men arrived at a hotel
here together and the two others, who
came about an hour later, inquired for
the first four. Each had a large revol-
ver and two sets of burglar tools, two
dark lanterns, three sticks of dynamite,
four dynamite caps were found on them.
Each man had \$200. They gave their
names, W. C. Ross, J. C. Hall, C. E.
Huffman, R. L. Minott, S. Morris and
J. B. Edwards. None are more than 30
years old and all of bright and intelli-
gent appearance. Three claim to come
from Missouri. There seems to be no
doubt they are the men implicated.

FATAL COLLISION.

Five Trainmen Are Killed and Many
Passengers Narrowly Escape.

Wilkesbarre, Pa., Nov. 11.—A head-
end collision occurred between two pas-
senger trains on the Lehigh Valley rail-
road near this city early this morning.
Five trainmen were killed and many
passengers escaped serious injury.

The dead are:
William Tetzelmeyer, fireman.
Fred Glasser, fireman.
J. G. McGregor, express messenger.
Jacob Engleman, brakeman.
John McNally, engineer.
Several trainmen were injured, some
of them seriously. The wreck is a bad
one.

Fourth Attempt at Suicide.

Wabash, Ind., Nov. 11.—Allice Baker,
aged 20, residing at Rochester, made her
fourth attempt at suicide, taking a large
dose of morphine. She was pumped out
and will probably recover, though de-
claring she will shuffle off at the first
opportunity.
